Experience

Assistant Coach, ELC | Northern Illinois University | DeKalb, IL

January 2025 – February 2025

- Lead a team of student consultants in the Experiential Learning Center for Sports Car Club of America, driving recommendations in marketing, brand reach and recognition, growth and sustainability, and financial strategy.
- Advised project and team direction while fostering an environment that limits distractions and is conducive to learning.
- Evaluated financial commitments and strategies of SCCA, addressing areas of improvement through research based non-profit business plans.

Student Consultant, ELC | Northern Illinois University | DeKalb, IL

August 2024 – December 2024

- Delivered employee retention recommendations in the Experiential Learning Center for LRS covering strategy, logistics, human capital, and operations, showcasing exceptional leadership and project management skills.
- Presented structured PowerBI and Excel visualizations derived from quantitative and qualitative data acquired through primary research in the form of focus groups and surveys administered to LRS employees, illustrating a strong combination of public speaking and data analysis abilities.
- Regularly communicated with leaders and managers within LRS regarding project timeline and events as Team Communication Liaison, strengthening professional interpersonal communication.

Golf Shop Sales Associate | Kishwaukee Country Club | DeKalb, IL

March 2024 - November 2024

- Facilitate daily point of sale responsibilities involving cash and credit card transactions with speed and accuracy, showcasing strong attention to detail.
- Direct weekly golf leagues alongside the Head Golf Professional, demonstrating exemplary leadership abilities.
- Individualize interactions with all club members and golfers, creating strong interpersonal communication skills while expressing passion for golf and helping others.

Financial Modeling Certificate | Udemy

November 2023

- Built financial forecasting, reporting, and decision-making models referencing an example case study, developing a foundational skillset in financial modeling.
- Expanded knowledge of critical financial concepts including the capital asset pricing model.
- Solved multi-step problems in financial modeling examples, refining critical thinking and problem-solving skills in an applied environment.

Leadership and Community Involvement

VP of Finance | Financial Management Association (Northern Illinois University)

January 2023 - February 2024

- Participate in meetings with guest speakers consisting of financial professionals, including alumni from NIU and others established in wealth management, accounting, and finance.
- Engage with student body in providing information regarding Financial Manager’s Association and personally explaining the value in becoming a due-paying member.
- Responsible for managing and processing financials regarding membership dues, fundraising, and other member obligations, displaying strong attention to detail and organizational skills.
